# Rabies Control Caroline County, Maryland

Reporting an animal bite or incident

This office investigates animal bites and rabies incidents. Please call 410 479 2232 to report: **If calling on a weekend, or after working hours, call 410 829 5910.**

➢ If you have been bitten by an animal (have the animal owner's name and phone number available when you call)

➢ If your dog/cat/ferret bit or scratched someone (have your rabies vaccination information available when you call)

➢ If your pet was bitten/attacked by another animal. Please have the other animal owner's name and phone number available when you call.

Note: Bites/Scratches are reported to the county in which the bite occurred.
